

- 1) **Where do you live?**
I currently live in a little place called Ardboe, County Tyrone in Northern Ireland.
- 2) **When did you start dancing and how did that happen?**
I started almost 20years ago now with a little line dance club called the Central Linedancers from Coalisland. I actually use to go along and watch my 3 sisters dance and then long story short, they taught me a dance and was called out to dance and the rest is history haha
- 3) **What is the first dance you ever learnt?**
My first ever dance was called The Honky Honk Twist, my sister taught me this in the kitchen haha
- 4) **Where is the most unusual place you have ever line danced?**
Hmm has to be Table Top Mountain in Cape Town South Africa with Countryvive.
- 5) **Does anyone else in your family have the line dancing bug? If so, who?**
Haha yes, my 3 sisters danced way before me, now my sister's twin girls dance with me. So, a big family connection.
- 6) **What made you decide to choreograph, and what was your first dance?**
I'm actually unsure why I thought I should but I just did, I remember trying to do a dance in the kitchen because I felt like it but didn't ever write a sheet lol. Not sure what was my first ever Linedance I choreographed but one that seemed to get me started was trespassing co-choreographed with Darren Bailey.

- 7) **What does line dance mean to you?**
Line Dance has been a way of life for a number of years now, it feels like it's just what we do. The line dance world is such an amazing family and I love being part of it.
- 8) **Describe yourself in 1 sentence.**
Just not normal haha... But what is normal anyways?
- 9) **What does everyone need to know about you?**
That they can do any dance I've choreographed and that they are not impossible. I feel like sometimes people judge the dance before it's been taught or learnt, so don't be afraid of a dance with my name on it.
- 10) **Do you have any advice or tips for anyone wanting to choreograph?**
Hmm it depends I suppose on what everyone is trying to do, but biggest point is to choreograph for you and what makes you feel good.
